Health & Wellness Fair features Certified Covered California Agents and the Heisman Trophy

Citrus Heights, CA: A Community Wellness and Health Insurance Awareness Fair will be held from 11 am to 4 m at the Citrus Heights Community Center, 7300 Fountain Square Drive (next to Sam's Club) on Wednesday, November 13th. Attendees will be able to learn about and sign up for Covered California and private health coverages, meet local health & wellness providers and sports celebrities, hear remarks about the importance of good health, along with the chance to visit the travelling Heisman Trophy museum. The event is free to the public.

Sponsors include Covered California, the California and Sacramento Health Underwriters Associations, Aflac, Well Space Health, WHA, See Change Health, Sutter Health, Premier Advantage Dental, Arbon Health, and local Covered California Certified agents: Armstrong & Associates, and Benefits Done Right. Invited speakers are County Supervisor, Roberta MacGlashan, California Senator Jim Nielsen, KFBK Personality and former Sacramento Sheriff, John McGinness, Well Space CEO, Jonathan Porteus, and representatives from the Covered California Health Exchange.

"This will be a tremendous opportunity for anyone in the Sacramento community to get personalized information about how to sign up for the new Covered California health coverages," says Brad Davis, President of the local Health Underwriters chapter. "Not only that, sports fans can view the Heisman Trophy museum and meet NFL sports personalities."

A key feature of the Health and Wellness Fair is the presence of the Heisman Trophy, housed in Aflac's custom trailer. The Trophy travels throughout the United States, and for this event, the trailer will be parked next to the Community Center, in the parking lot of Sam's Club. For a nonperishable food or monetary donation, the public can enter the trailer and have their picture taken with the Heisman Trophy. All food and monetary donations will be given to the Sunrise Christian Food Ministry to support the work they do for the underprivileged in this community.

The Sacramento Association of Health Underwriters (SAHU) is a local chapter of the California Association (CAHU) and the National Association (NAHU). Our vision is that every American will have access to solutions for health, financial and retirement security, as well as the services of insurance professionals to assist in navigating these areas. SAHU's mission is to improve our members' ability to meet the health, financial and retirement security needs of all Americans through education, advocacy and professional development.
