

Dr. Manos is an actively licensed dentist for the State of California. After several years in private practice, Dr. Manos was an instructor in clinical periodontology and dental anesthesiology before becoming involved in the administration of dental benefit programs. Dr. Manos has developed and managed dental provider networks, including associated quality assurance programs, in several parts of the United States. He has over 25 years' executive experience in the dental benefits administration industry. In addition, Dr. Manos has served as the dental advisor for the Orange County Public Schools and as a legislative member of the Westminster Chamber of Commerce.
