COMMUNITY SERVICE - Sam Rumbaugh

PROFESSIONAL DEVELOPMENT – Peter Alamillo & Ned Schaut

There was discussion about declining involvement in education days. Brad reported that the Chartered Benefit Class had 50 people attend when more were expected. The promoters/providers reduced their fee to SAHU to compensate for the low turnout and because it had been a pilot program for them. It was suggested to form an ad hoc committee to review the current programs and suggest revisions.

The July lunch will feature Senator Ted Gaines, who will swear in the new board of directors. The August lunch will feature the CAHU lobbyist, Michael Belote.

Cerrina announced she would like to use the opportunity of NAHU President Janet Trautwein's presentation at the September lunch to replace it with a professional development program featuring Janet as the keynote speaker, adding 2 CE courses and vender presence. Jeannie has checked with the community center and they can accommodate that change. Then October would be a normal lunch agenda.

LEGISLATIVE –Chris Bender

Chris thanked everyone for their participation at the Day at the Capitol in May. He distributed a summary of the meetings and bills that were discussed. The Grandmothering bill has unilateral support and it is expected to pass with an urgency clause, which would make it effective upon the governor's signature.

PAC – Jon Hutchison

Jon reported approximately \$1400 was raised for PAC at the golf tournament.

Brad Davis will be the new PAC chair in 2014-15. He is working on a fundraiser for Ted Gaines, who is running for insurance commissioner.

MEMBERSHIP – Shannon Zajec/Samantha Siders

Samantha thanked the board for their participation in membership growth. She had set a goal of 40 new members this past term and 44 joined. Samantha extended special thanks to Shannon and Dave Jr for their assistance. She distributed the lapses/delinquent list for review by the board.
